

## Selected Resources about the Lenni Lenapes

One of the best descriptions of the lifestyles of the Lenni Lenape before the arrival of the Europeans is a children's book written more than 80 years ago by anthropologist M.R. Harrington *The Indians of New Jersey: Dickon among the Lenapes.* Reprinted in the 1960s, copies are still available through online services.

Online articles, many with useful maps and illustrations:

- "Native People of New Jersey" <http://www.usgennet.org/usa/nj/state/Lenape.htm>  
Good general history
- "About the Lenapes" <http://www.lenapelifeways.org/lenape1.htm>  
Much information in small sections
- "Lenape Indian Fact Sheet" [http://www.bigorrin.org/lenape\\_kids.htm](http://www.bigorrin.org/lenape_kids.htm)  
Q & A good for "Quest" activity
- "Lenape" <https://en.wikipedia.org/wiki/Lenape>  
Extensive Wiki entry

Note: You can use the available "Reading Response Form" for class assignments.
