Read the article fully, and compare information here with information in the resources for Natalie Boelman's workshop. Then write responses to these questions:

How would you briefly summarize what is in the NYT article?

What is your reaction to the three most important points made in the article?

What are two questions you have after reading this article and looking through the Workshop resources?

What are two 'action items' you would like to take after reading this article and viewing the Workshop resources?

What other points would you like to share about this article and the Workshop?
